Strangulation Hazard For Young Children

Cost Plus World Market Roll Up Window Blinds

Matchstick w/Valance
Roll Up Blind

Tortoise Bamboo
Roll Up Blind

Matchstick (no valance)
Roll Up Blind

Consumers with young children should immediately stop using roll up blinds as they have exposed inner cords which pose a strangulation risk. Shown above are examples of styles we have previously sold. There are other styles included which will look similar to the styles shown above.

To obtain a full refund for any roll up blinds, return the blinds with your proof of purchase to any Cost Plus World Market store.

Call Cost Plus Inc. for additional information at **1-877-967-5362 7:00 am to 11:00 pm ET**
